Franklin International

solutions

Since the 1980's, Franklin International has been dedicated to leading the industry with environmentally superior adhesives. We were the first manufacturer to develop a solvent-free construction adhesive line and the first to pass the American Plywood Association's AFG-01 subfloor specification.

In addition, our environmental offering has expanded to include urethanes and solvent-based VOC-compliant products. The GREENchoice™ product line offers the industry's most complete line of solutions for every repair, remodeling and construction project.

GREENchoice Adhesives, Sealants and Glues represent Franklin's commitment to sustainability. Through our experience, technical expertise and commitment to environmental sustainability, we have developed the industry's most complete line of green adhesives.

There are over 60 Titebond products that are recommended for green building. As the industry leader, Franklin is the only adhesives manufacturer that can provide complete solutions for every green building project.

Adhesives

Premium Polyurethane Construction Adhesive

This adhesive is an advanced urethane formula for interior and exterior projects. It is the highest performing product of its kind, offering unmatched strength and durability even when bonding two non-porous materials. It offers a fast set-up time as well as a smooth bead for effortless extrusion – even in near-freezing temperatures.

<ul style="list-style-type: none"> • Ultimate strength & durability • Bonds two non-porous materials • Cold weather extrusion • Waterproof 	<table border="1"> <thead> <tr> <th>Part #</th> <th>Size</th> </tr> </thead> <tbody> <tr> <td>4221</td> <td>10.5 oz. cartridge</td> </tr> <tr> <td>4222</td> <td>29 oz. cartridge</td> </tr> </tbody> </table>	Part #	Size	4221	10.5 oz. cartridge	4222	29 oz. cartridge
